- Kerry – Track will be extended it 1.3 which is just around the top corner and will be putting extra bollards in and will need more officials

- Greg – no developments with the clubhouse, we have spoken to the council and we are still getting nowhere with the legal department. We have a roller door thanks to Deb and Lance Melrose.
- Greg V – we had four official entries for Kirknie we have sup regs in the loop to run it as a Rally Sprint the 17th and 18th of September. Will be sending out expressions of interests for people so we can get the numbers.

PRESIDENTS DRIBBLE

Back for another month, first of all still no word on when we take over the club house. The council's legal department is what is holding the whole process up. Once I hear anything rest assured everyone will know. This month we tried to run Kirknie as a club rally, the unfortunate thing was we only got 6 official entries there are a few reasons for this and the most upsetting part of this is the people who were going around spreading rumours that either the rally was off or the rally was way too rough. This club has to get back to having fun with safety at all the events we run, so to all the people who are spreading these rumours all can say is to put it bluntly fxxk off and leave the club alone because if I get definite proof of who it is I will take action. It really goes to show how small of a mind these people have.

On a brighter note Kirknie is back on as a Rallysprint, which will be run over two days please look at our web site to find out all the details. Also club shirts are now ready for purchase so if you want on please let me know and I will send you the details. Would be nice to see a few people going to Kirknie, also NQ Kanacross series is coming up so watch our web site for the details for this event. That is all for this month as usual if you want to talk my mobile is 0417609577.

Greg

VICE PRESIDENT SAY

It was a sad day when we had to cancel Kirknie Rally due to the lack of entries. A lot of personal time and effort went into planning as well as financial commitment from the organising committee of the rally.

The facts are we had to have an ambulance on site at Kirknie. This meant we had to have 12 entries to cover the cost of the ambulance and the CAMS permit fee.

We did not get the 12 entries needed.

I have heard reports of rumours being spread that the rally was called off well before entries closed and the roads were too rough. Another one was not to bother with our club as we don't conduct any events. To the person or persons responsible you are a disgrace to the motorsport community. This type of bad mouthing is unacceptable. You may have achieved your goal this time in regards to the rally. If we find out who is responsible, I will make certain that you will face a CAMS tribunal hearing.

But it will not stop this club from conducting events. We are planning now for a 3 round ralliesprint series. The first round will be at Kirknie station on the 17 Sept.

I hope this event gets the support it deserves.

Now I will put on my other cap. I have been busy with work and stewarding since the V8's but I will pull my finger out and organise some more social events and will advise where the Christmas party will be. See you all at Kirknie. The social side of the event is something special.
