HILL CLIMB report

Hi all,

Just a quick report on the second round of the Mt Stuart Hillclimb that was held on the 29th of May. What should have been a decent field had thinned out a bit come Sunday morning with a few no shows. Unfortunate really because it was a good day where we managed to fit in a lunch break for the officials and squeezed in 8 runs for the day. A credit to the event, the way it was run and the competitors for not crashing or spilling their engines on the track.

Result saw a few regulars take the class honours. Kim won the over 3ltr in the 180sx, Mark in the Clubman won >1500 and Peter won the regularity again. Unlucky to see another skyline with some engine dramas but I'm sure Bannan will be back when they sort it out.

As for me, I can honestly say that the GTR was the best it has ever felt with the new diffs installed and the times it put down showed how much better the set up was. I dropped about a second and a half off my PB and dropped into the 45 second bracket for the first time.

Thanks to Kerry and his team of champion helpers for another good day and also to Paul at Xtreme Motorsport for the brilliant tune in the car.

Round 3 is a double header weekend which are always fun. Kart track sprints on Saturday then a hillclimb Sunday. A couple of out of towners that come in for the sprints have expressed some interest

in doing the hillclimb so hopefully it'll be a good weekend come the end of July. Hope to see you all there again.

Take it easy
Coop.

PRESIDENTS WAFFLE

Well here we are for another month, a great deal has happened since the last report. I have had a reply from the Townsville City Council in regards to my tenders for a club house. I am happy to say that the club now has it's own club house. It is over in Tully Street South Townsville. Look out for further notices as to when we will be moving in. At present it does not look much but it great potential. We have a ten year lease on it and from that point unless we do something very wrong we will have it for life.

We also have our water truck up and running, which means we do not have to hire a truck any more. It had it's first run on the week-end and did the job with ease. The club has to a BIG THANK YOU to all the work that Sam has put in to it. A job well done. A photo of our new shirts will be sent out to all current members soon , it will have the price of them with it, so if you want one just follow the contact details and put your order in. They will only be done in lots of 20 so be quick.

The Kanacross on the week-end had very few people at it. The members that were there had a ball, 20 runs for the week-end. We plan to have another one the 1st august so put it in your diary and

make a effort to be there. That's enough for this month. Remember the next meeting is at Rebels Socer Hall Thuringowa Drive.

See you there.

Joke of the month

Kate Middleton asked the Queen for advice on marriage and a long relationship...

she replied "wear a seatbelt and don't piss me off!"

A man approaches a young woman in a shop. He says I can't find my wife, can I talk to you for a few minutes?

The woman says sure but do you have any idea where your wife is?

Not a clue he says but whenever I talk to a woman with t!ts like yours she appears out of nowhere!
