Editor's Report

Another year has started. At this stage the club has planned a number of events The first being a twilight motorkhana at Talbot Park.

We'll let you know more about it in the next magazine and hopefully the weather will be kind to us.

There are plans for a rallysprint series to be conducted at the Milchester Motorsport Complex (Charters Towers).

Roads are under construction and we'll know distances of the three possible stages once work is completed.

The dates for the King of the Mountain Hillclimb series are published just waiting for police permits to finalise the paperwork.
