Editor's Report

Well we achieved something we have been trying for years a Motorkhana in February. A job well done by Peter Trezona organising the event. There was a good number of entries for the event - some may have been worried about the weather conditions and didn't come along. Hopefully next time the weather will be more friendly to us. On a brighter note it was good to see the juniors having a go and enjoying themselves. And some of the older member were a bit concerned at how quick some of them are going. However they suffered from the same disease as us old farts and forgot where they were going and got WDs.

Please remember the AGM in March. There has been a request for some competitive cars to be on display at the club house at the same time as the meeting. I will try and confirm with the social director if there will be a BBQ on after the meeting. I'll let you know in the next magazine. There is chat of either a Cardwell or Ingham Rally on the October long weekend depending on forestry availability and some Rallysprints at Charters Towers. I will keep you informed as I get some definite news.
