Next CLUB MEETING
Monday 12 June 2017
at Clubhouse

FROM EDITOR,

Another month has come and gone.

I went down to Proserpine to compete in the NQ Khanacross Series and had a great time - hit a few tyres; WD'd, etc . BUT come home with a noise in the motor. Hopefully, it is easy to fix. Results are further on.

Then I was steward at the Wowan Rally - I got to drive on the roads in a. Those roads were not as good as Cardwell. Greggy did well coming 1st in class at this stage. I see Steve Vander Brug just got you. Next time??Times are included for you all to see.

The Hillclimb is on this weekend.

We have a two day Khanacross coming up next weekend in Charters Towers. John Sutton is keen to race on a different track.

The following weekend, 9 - 11 June there is the Charters Towers Motor Show and Swap Meeting at the Showgrounds. See the last few pages for details.

At the Millchester Motorsports Meeting last Tuesday night, there was a request for some cars to go on show at the swap meet and for volunteers to man the food stall. If you are available, please contact me.

Then at the end of the month, there is a motorkhana at Talbot Park.

SO we have a busy month with lots of different activities going on. Get along to some of these events. Support the club.

Remember membership is now due. \$60 for single adult and \$70 for family competitive membership:
or \$10 single adult and \$20 for family as social members.

See you at one of these events.

EVENT ROUND UP (Dave Page)

ROUND 1. Was held at the Whitsundays Tonker Park 10 Km south of Proserpine on the May Day long weekend. 25 Series competitors battled through changing conditions along with 15 non series competitors to see one of the largest fields of 40 drivers compete over the two day event. The event ran smoothly through out Saturday with no car damage or retirees. Local track knowledge helped Tim Hall set the early pace after lap one. Rowan adjusted his tyre pressures and was hardly headed all day by most of the field but finishing less then a second faster then Graeme Colls in his AWD Subaru and Tim Hall only nine one hundredth of a second behind. Junior, Heath Barry in the mighty Micra was a further 6 seconds behind placed in fourth. After him it was daylight but some very close completion rounded out the top ten.

Sunday morning the starting garages were lined up side by side for the two tracks. This proved popular at last years event and this year was no exception. The first run all drivers had to contend with the wet conditions, with the inside track proving very slippery in places as a few drivers found out as they skidded into the tyres or of the track. The early runners had the worst of the conditions which reflected in the times. The drizzle abated and the track gripped up nicely as the second run started. By the third run dust prevailed again as drivers had the opportunity to elect whom they wish to run against. The spectators were in for a treat as big V8s lined up against each other but the high light was the closely matched Celica of Rowan lined up against the small mighty Micra driven by junior competitor Heath. The turbo monster class D Celica only inched away from the Micra down the straight and was slightly ahead at the braking duel into the garage for both runs.

Well done to Rowan winning outright 1st. Tim out right 2nd and Peter for out right 3rd. 1st Ladies Deb closely followed by Kym and 3rd Kara. 1st Juniors Heath 2nd Jody. Greame winning out right 1st in AWD

 For 2017 we are very honoured to have secured as our feature attraction the top elite show car all the way from Orange NSW.

Mick Fabar's 1967 XR Ford Falcon "ZERO'D"
 Among the many prestigious national awards won by "Zero'd" is the **Summersat 26 Grand Champion and Street Machine of the Year**. Mick and his team built this elite street machine by sourcing environmentally-friendly and sustainable components, the Falcon runs on commercially available Bio-Diesel which makes for one, tough, zero-emission carbon neutral show stopping vehicle! **Matt Gilkes** is back this year as our special guest Motor Show judge, Matt is the chief judging steward of the Summersat's & Motor Ex Megular's Judging Team and has been a senior member of the team since 2002. Browns Amusement's are back with all the fun for the kids, a fully licensed bar all weekend, Friday night Meet & Greet, two huge Super Cruises, Bill Henderson Observation Rally, the holly contested Go-to-Whoa, Show'n'Shine and the biggest swap meet in North Old. I'm really hoping you can attend this year and enjoy the weekend with us.

Cheers, Phil.
