#### Bruce McCarthy's and Greg Van Dinter's Motorkana Prep:

Four cars, one half works. Lets go. I turned up late. As usual. Greg, Zoe and I in the Goldie. To my joy Peter T said I could run the skyline (see ya Greg) Dean, as director, had everything under control and it wasn't too long before it was under way. We had two entry's and a good mix of competitors and cars. The two falcon's won the dust. Factor things like "lets weld that different" were. Said more than twice and good to see Zoe and Jenna kicking up the dirt, as usual. I think it's just as much a social event as it is a race day. So thanks again Peter for the drive in the skyline ( I like the one track shot-out idea) and thanks Brett for hitting the one pole to let me win by four seconds, if anyone has some adjustable seat runners I can have. I think I owe some drives in the starion. Just remember the next club meeting, have fun!

Xoxo buzzer.
